Fall 2003

Day & Class Time Change

Start Date August 25th

The opening and development of our second Dojo at the Vail Recreation Gymnastic Center in Avon is enabling me to offer a wider variety of times and classes for this Fall / Winter season.

Days: Mondays and Wednesdays

Time: 3:30 to 5:00

This special 1 & 1/2 hour class is primarily an intermediate to advanced program for children 8 and older, and above the rank of Green Belt. New students are welcome and will be allowed to join this class only after attending an introduction program.

This program is suitable for students in middle school and up. Younger students are welcome to leave the 6:45 class early, when need be, for school consideration.

Days: Tuesdays and Thursdays

All three of these classes are open to new and old students alike. Since I have no baseline to determine the best times for different age groups, registration is on a first come, first serve basis. As I see how the class enrollment firms up, I will adopt a schedule that fits the needs of clients.

Now that we are entering our 9th year teaching Martial Arts in the Vail Valley, Rebecca and I want to thank all of our loyal students and their families for making the precarious endeavor to operate a small business a success. A Martial Arts School is an ever-evolving entity. It takes both the retention of current students and the recruitment of new students to grow and thrive. You, our clients, and your recommendations to others are our most effective way to continue to prosper. The sole purpose of opening a second Dojo and changing the class times is to better serve our clients. If you will, this is the great experiment. Any input you have on how we can better serve you is always greatly appreciated. Please contact us any time with your thoughts.
