MOM'S CLASS

In response to several inquiries by mothers of the young ninjas, a special Mom's of the Dojo program is being offered as of October.

Any ninja mom who wishes to join the Monday / Wednesday class for a three month period is invited to do so for \$50.00 per month.

There is a bunch of good reasons for considering this class including physical conditioning, self-protection and a chance for your children to share with you what they love and have learned.

Remember a family that kicks together sticks together!

TOURNAMENT

Our annual fall tournament will be held Saturday, October 25th from 12:00pm to about 5:00pm. This fall we will be dividing the tournament into two starting times.

*Micro warriors (4 to 6 years old) at 12:00pm.
Young warriors (7 and older) at 2:00pm.*

This is our first year with a split format to enable the little ones to get in and out as quickly as possible. Although my educated guess is that this time frame will be reasonably accurate, it is only a guideline.

STUDENT ENROLLMENT DRIVE

Now that we are entering our 10th year teaching Martial Arts in the Vail Valley, Rebecca and I want to thank all of our loyal students and their families for making our Martial Arts school the success that it has become. Over the years it has become clear that word of mouth is the most powerful form of advertising there is.

Between now and the first of the year, any client who recommends a student to sign up for three months will receive a 50% discount on their next "month" lesson fee.

Thank you for all your support.
