Another Year

It is true, another year has past. It is hard to believe it has been ten years. There is no doubt in my mind that I have the greatest job in the world. Rebecca and I wish to thank you all for your support. Every day I teach I am humbled by the trust you put in me and the awesome responsibility of teaching and nurturing your most precious treasure, your children. There are no words to express how seriously I take this obligation and I will never cease to use all my talent, patience and creativity to bring out the best in each student I teach.
