Mr. Mathew Bayley
P.O. Box 25021
Colorado Springs, CO 80936

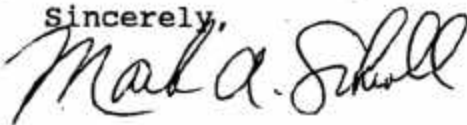

Dear Mathew:

I am writing this letter to offer the full support of the Boys & Girls Club of the Pikes Peak Region in your efforts to help children that are victims of physical and sexual abuse crimes. As you know, we serve over 2,500 children in Colorado Springs, many of them classified as kids at risk and many of them victims of such crimes. If we are able to identify any of the children we serve as victims we will be able to enroll them in your program and start the healing process.

Mathew, I would also like to offer my two facilities to help you bring this program to other children in our community.

If I can be of any assistance, please do not hesitate to call.

Sincerely,

Mark A. Schroll
