Dear Mr. Bayley:

On behalf of the Boys and Girls Club, I would like to express my appreciation for your excellent work in the field of child safety.

Your recently produced video and coloring book has proven invaluable in our efforts to impress a need for awareness on our members.

This video was introduced to our club through the local Kiwanis Club. I understand the video received special district honors from Kiwanis.

Allow us to echo their praise. Our children are our future. Concerned and talented citizens such as you give us confidence that our children will have the tools they need to grow up healthy, happy and safe.

Thank you for your work in this field. Know that you ARE making a difference.

Sincerely,

Antoinette I. Carbone  
Executive Director
