Dear Mr Bayley

On behalf of the United States Air Force Academy and the Cadet Wing I would like to thank you for your assistance in designing a self defense class for female cadets. We appreciate your extra attention in training the instructors who took your class, "Teen Alert." Additionally, the conversations in person and on the phone with our course director, Captain Barbara Faulkenberry, helped her create a valuable course that will help our cadets here at the Academy and later in life.

Again, thank you for your advice. We invite you to visit the Academy to sit in on our Self Defense class at anytime.

Sincerely
