TO WHOM IT MAY CONCERN:

On behalf of the Colorado Springs Branch of AAUW, I am happy to write this letter of recommendation regarding Mr. Mathew Bayley of Fighting Chance, Inc.

Mr. Bayley was the featured speaker at our January branch meeting. He discussed and demonstrated self-defense techniques to our members.

Mr. Bayley's presentation was delivered with high expertise and knowledge of the subject. Not only was he able to quickly build rapport with his audience, but his manner was professional as well as personable. It was apparent that Mr. Bayley was able to tailor his presentation to the needs of our members.

Judging by the audience participation during the presentation and the positive feedback I have received from our members, Mr. Bayley was truly a success!

Sincerely,

Gail Wilson  
President
