To Whom It May Concern:

This letter is to introduce Mr. Mathew Bayley to you. Pueblo Community College Community Services Division hired Mr. Bayley to teach a Women's Self Defense Course in November of 1993. Mr. Bayley's course covered physical self protection, parking lot safety, mall and shopping safety, safe dating, dating violence, auto safety and awareness.

His workshop is dynamic! He provides hands-on training for the participants. Each student who took the course expressed complete satisfaction with his teaching and techniques.

Mr. Bayley provided PCC with a quality workshop. If you choose to have Mr. Bayley provide training for you, I am sure that you will be pleased with his instruction and his ability to draw the audience into the program.
