Dear Residence Life Colleague:

I am pleased to write to you on behalf of Mr. Matthew Bayley. Matthew has been the Safety Consultant for the University of Southern Colorado for the past three years. In addition to instructing self defense through self awareness at our annual "All- Hall" meetings each fall semester, Matthew has also served as an excellent resource for self esteem and gender issues on campus. Mr. Bayley assists with the training of our residence life student staff each academic year, and recently instructed a Women's self defense workshop on campus. Matthew is a captivating speaker- catching the attention of his audience immediately with his energy and humor. I highly recommend Matthew to you as a speaker in all of the areas mentioned above. Please feel free to contact me if you would like additional information.

Sincerely,
