Dear Matt,

Thank you very much for the fine work on improving gender relations you did with our administrative team. Presenting the information you had to share in a humorous way really helped break down whatever initial resistance might have been felt. I think all of our administrators came away with some information they could use and some ideas of where they could go in follow-up discussions with their own staffs.

Thanks again, and we look forward to continuing to work with you.

Sincerely,

Christine Czajka
