Dear Mr. Bayley:

The faculty and students of the Middle School at the Colorado Springs School would like to thank you for your excellent presentation to our students on Friday, November 9, 1990. Your presentation was well delivered, meaningful and all of us found the self-protection manuevers quite helpful. We especially appreciated the message conveyed to the students regarding assuming control in a potentially harmful circumstance and having enough self esteem to make a decision as to how to manage this confrontational situation. Your presentation was straight forward and we appreciate that the information can be utilized by the students now without learning confusing multiple maneuvers in a one day session.

We look forward to your return visit on Monday, November 19, 1990 to meet with the parents and faculty.

Thanks again for your outstanding presentation.

Sincerely,

M. Lynne Kemp
